

COVID-19 Health and Safety Measures
Updated September 5th, 2021

Vanleena Dance Academy has implemented the following policies to help our dancers, parents, instructors, and staff stay healthy and safe. We will continue to monitor and implement the local, provincial and federal recommendations as they're announced and make changes as necessary.

	COVID-19 Safety Protocol
Studio Common Areas	Studio common areas will be open.
Face Masks	As of August 25th, 2021, "Masks are required in all public indoor settings for all people born in 2009 or earlier (12+) [...] This Includes: Common areas of sport and fitness centres when not engaged in physical activity" Please visit https://www2.gov.bc.ca/gov/content/covid-19/info/restrictions#masks for more information.
Outside Drop off Only	To keep indoor traffic at a minimum, parents, caregivers and guardians will continue to wait outside of the studio at drop off. *Note - Parents/Caregivers/Guardians of dancers between the ages 2-4 may enter the building for drop off and are asked to promptly exit the building.
Outside Pick up Only	To keep indoor traffic at a minimum, parents, caregivers and guardians will continue to wait outside of the studio at pick up. *Note - Parents/Caregivers/Guardians of dancers between the ages 2-4 may enter the building for pick up and are asked to promptly exit the building.
Hand Sanitizing Before & After Studio Use	Hand sanitizing before entering and when exiting the studio. Sanitizers will be available at exits and entrances.
Sanitation Practices	Enhanced sanitation of surfaces of the studio.
Open Windows/Doors	Whenever possible open windows/doors to increase fresh air flow.
STUDENTS, INSTRUCTORS AND OFFICE STAFF TO STAY HOME IF...	You are experiencing symptoms such as fever, chills, light headed, shortness of breath, sore throat, coughing/sneezing. You have been identified by Public Health as a close contact of someone with COVID-19. You have been directed by Public Health to self-isolate. Anyone living in your household has symptoms of COVID-19 including fever, chills, cough, shortness of breath, sore throat and painful swallowing. Please notify Management if you or anyone in your household is experiencing symptoms, or has recently traveled out of the country. We will make necessary changes and arrangements for your classes.
